A Healing Place for Men

A Mentoring Program for Men
Recovering from Life-Controlling Issues

And I will bring the blind by a way that they knew not; I will lead them in paths that they have not known: I will make darkness light before them, and crooked things straight. These things will I do for them, and not forsake them. Isaiah 42:16

Program Overview

Gateway Landing is a twelve month, faith based, Christ centered, residential, nonsmoking, mentoring program for men with life controlling issues such as drugs and alcohol.

Program Overview continued

We believe that:

- we can strengthen our families and communities by first addressing the spiritual deficiencies of men. Philippians 2:3-4
- substance abuse is only a symptom of the real underlying causes of destructive, illegal and immoral behaviors.
- the aforesaid behaviors include, but are not limited to: lust, pride, anger, selfishness and arrogance.

Program Overview continued..

We believe that:

- the removal of these behaviors is only fifty percent of the healing process.
- the removal must be followed by replacing the wrong with the right and replacing the dark with the light and obedience to the teachings of Jesus Christ. Isaiah 42:16
- when love, joy, peace, patience, gentleness, goodness, kindness, self-control and faith are added, healing begins. Galatians 5:22

The Vision

- Unite men with Christ
 - Once united with Christ the following goals are attainable:
- Reunite men with their families
- Restore men to their communities
- Establish or Reestablish men to their careers

History

- Gateway Landing was conceived in Rod 's heart shortly after he completed a similar faith-based program in 2007.
- In 2010, after a period of preparation, Rod and a mentor of his (Elder Eugene Peterson) met with a group of pastors, in Wilmington, NC to share some guidelines for starting and maintaining a program.
- Pastor Jay Young of Gateway Church was one of those pastors. After that meeting, each time Rod and Pastor Young communicated, they discussed a desire to start a program in Wilmington. In November 2011, Rod and Pastor Young spoke again. This time, they said, "Let's do it."

History Continued..

- Out of their relationship and a desire to reach and help others, Gateway Landing was organized. The Gateway Landing residential facility opened on February 7, 2012. The first student was taken in on February 8, 2012.
- Gateway Landing operated as a ministry of Gateway Church until July of 2014. Gateway Landing acknowledges and is grateful to Pastor Jay Young and Gateway Church of Wilmington, NC for being the catalyst in beginning this great ministry for men and their families.
- Gateway Landing began operating as an independent 501 (c) (3) nonprofit on July 9, 2014.
