Please do not bring anything else without prior approval from program director or program facilitator.

Please note: You will only have room to store things in a small closet and a small drawer chest. Intake days are Monday through Saturday, but we will consider Sunday under extenuating circumstances. You will be expected to be physically able and willing to spend up to 8 hours a day working outdoors, doing things like mowing grass, washing cars, cleaning jobs and other projects, or doing recreational activities, as well as daily cleaning assignments in and around the building.

Agreement

I understand what I need to do, and what I need to bring to Gateway Landing. I understand that anything in addition to, or different from this list, must be approved by Gateway Landing staff. I understand that if I do not follow through on the things to do, it may be possible that I will not be allowed to remain at Gateway Landing. I understand that if I bring anything that is not authorized, it may be sent back home, confiscated, or kept locked up until I graduate.
